Dear ACHS Parents/Guardians:

As many of you may already know, PAAC – Parent Association of Archbishop Carroll High School is always involved in many fundraising activities to help raise monies for the Carroll community. Well, this year we have a special fundraising opportunity that each and every one of you can participate in and it can also include your family and friends.

SunTrust has a new promotion, which provides support to nonprofit/charitable organizations such as Carroll. It's called "My Cause," and it's a special program designed with a dual purpose – bring new clients to SunTrust and give back to the communities they serve. To qualify each person has to sign up for a new checking account by March 29, 2008, accept and use a SunTrust Visa Check Card to make a purchase by May 15, 2008, SunTrust will then make a \$100 donation to the charity/organization of your choice. Or, you can choose to receive \$50 for your own cause. We can only hope that your choice will be for Carroll. To qualify, they simply ask that you complete an online redemption form by May 15.

If you require additional information about this promotion please visit the website "<https://promotion.suntrust.com/mycause>" or contact Tammie Barrett 301-507-6430 directly by phone.

Please spread the word throughout the Carroll Community. Just imagine how much Carroll can benefit from this special limited time offer.

Please note: This is just a fundraising opportunity if you choose to participate. You are under no obligation to the school.

We thank you for your time and consideration.

Sincerely,

PAAC Executive Board

"CELEBRATING THE ACHS COMMUNITY ONE MILESTONE AT A TIME
